

Tap to Pay on iPhone.

With Tap to Pay on iPhone and the Payanywhere app, you can accept in-person contactless payments, right on your iPhone. It's easy, secure, and private.

No terminal needed.

Accept in-person payments with only an iPhone. No extra terminals or hardware needed.

Accept all types of contactless payments.

From physical debit and credit cards, to Apple Pay and other digital wallets.

Secure and private transactions.

Tap to Pay on iPhone uses the built-in features of iPhone to keep your business and your customer data private and secure. When a payment is processed, Apple does not store card numbers on the device or Apple servers.
